10 reasons Tulare County Stonewall Democrats stand proud for progressive values

- 1 Democrats believe that the **best days** are ahead of us - not behind us.
- 2 Democrats know that the success of our economy is rooted in the strength of our **working families**, not in an agenda that eliminates jobs for corporate greed.
- 3 Democrats know that quality **public schools** and an affordable college education are great equalizers that open doors and open minds.
- 4 Democrats understand that Medicare and **Social Security** must be kept strong for seniors, people with disabilities, and future generations.
- 5 Democrats fight for a **clean environment** and against allowing big corporations to profit by polluting our air, water and land without restraint or responsibility.
- 6 Democrats feel everyone has a right to **healthcare** regardless of where they work, their income, age, or health.
- 7 Democrats are the **Party of inclusion** and do not use race, gender, sexual orientation, gender identity, immigration status, or faith as a wedge to divide Americans.
- 8 Democrats understand that **taxes** paid by the hard-working middle class should not further enrich the wealthy nor provide bigger profits for large corporations.
- 9 Democrats believe it's a woman's right to make **her own choices** for herself and her family when it comes to her health and her body.
- 10 Democrats value compassion, **generosity of spirit**, and a willingness to assist those in need, and we reject the divisive politics of selfishness, race-baiting and blame.
